

JacksonTang CeramicsAward

The Jackson Tang Ceramic Award is a new fund, designed to support a major acquisition of ceramic work. Recent years have seen a significant increase of interest in ceramics and many artists have adopted the medium without formal training. Rather than limiting the Award to either artists whose primary material is ceramic or those who employ the process and material occasionally (studio ceramics, or sculptural or conceptual practice), we open the scheme to both Fine Art and Craft scheme members. Each application will be considered on its own merits.

Contemporary Art Society Museum Members are invited to apply with a proposal to acquire work they consider will have a significant impact on their collections. Both UK and international artists/practitioners will be considered. Deadline for applications is **20 April 2018, 5 pm.**

Applications will be assessed by the Contemporary Art Society Acquisitions Advisory Committee.

External members of the committee are:

JJ Charlesworth
Steven Claydon
Ben Cooke
Alison Britton
Sarah Griffin
Tanya Harrod
Margot Heller
